### CURRENT SITUATION

*(Recent updates are posted at the top of Current Situation)*

On Wednesday April 25th, 2018 at 1734 hours, The City of Riverside Fire Department was dispatched to a report of a structure fire in the 3700 block of San Rafael Way. Initial reporting parties indicated there may be a possible elderly male in a wheel chair in the structure. Battalion 2 requested two additional engine companies and an AMR ambulance. Firefighters arrived to find a well involved structure fire with a working attic fire. Firefighters performed an aggressive fire attack containing the fire to the building of origin. Firefighters performed a primary and secondary search with the building being all clear no occupants found. The residential structure was undergoing restoration work. The cause of the fire was undetermined with possible cause electrical after investigation by department arson investigators. Riverside Public Utilities secured the electrical power to the structure. PRD and streets assisted with traffic control. The residential house was released to the property owner. The structure value was estimated at \$400,000. The loss to the structure was estimated at \$100,000. The collateral save to the residential structure next door was estimated at \$400,000.
